The Parish of Castlebar is delighted to welcome five young people who will be working with youth in the Parish for the year. We'll let them introduce themselves...

JOSEPH FOY

Hi! My name is Joseph aged 19, or Joe, and I am from the town of Ballybofey, in the land of Donegal. Growing up, sport was a huge part of my childhood- playing soccer, Gaelic football, cycling around the house. I also play the guitar, the piano and percussion. Music is something I love and feel the Lords presence through. The Catholic faith is something that has always been part of my life. I have grown up with NET Ireland and I am super excited to serve on mission.

NATHAN SCOTT

Hey there! My name is Nathan Scott, I'm 18 years old from Prince Edward Island, Canada. I'm the youngest boy in my family of 8 kids. I love to read, write, listen to music (and sometimes try to play it, though I'm not too good at it). I don't know what the Lord has in store for me over the next year, but I'm confident that I'll be able to do whatever comes at me with your help, with the help of God, and all those around me.

AOIFE O'HAGAN

What's the craic, my name is Aoife, I'm from Derry and I'm 21 years old. I enjoy playing sport, meeting new people and just being myself. Never change for anyone because you are beautifully made by God and He loves you the way you are. "Be who God created you to be and you will set the world on fire". St. Catherine of Siena.

LYDIA HYLAND

Hello, my name is Lydia Hyland. I am 22 years old, and currently partway through a Bachelor of Arts degree at Notre Dame, majoring in Philosophy and Theatre Studies. In 2017 I served as a missionary with NET Australia on the National Team, and have since worked in various cool jobs, and some interesting studies. I chose to serve with NET because I wanted to live out something deeper than what society offers, and to share the joy and hope I've experienced through Jesus with the young people of Ireland.

EMILY MCCALLUM

Hi my name is Emily McCallum! I am from Alberta, Canada. I am the fifth of ten kids raised by two incredible parents. I was raised Catholic, attending a Catholic school and many retreats when I was younger. Growing up I played basketball and volleyball and when I went to university, I started playing the guitar which has quickly become my favourite thing to do. I have recently finished my third year of university studying History. I cannot wait to start this new chapter in my life!
