YOUTH MINISTRY UPDATE FROM THE NET TEAM

Hello everyone! We've been in Castlebar for almost a month now and have had a fantastic time getting to know the town and the people! Thank you to everyone for being so welcoming and generous. So far, we have had great experiences getting to know the teachers and youth at eight different primary schools. Each week, we get to come in and teach an RE class for the six classes. We also get to go to secondary schools. At St. Gerald's, we were able to put on an Encounter Day retreat for the first years. We spent the day having fun and playing games, but also encountering Jesus through small groups, talks, our personal stories, and a time of prayer and reflection. Both St. Gerald's and the NET team were extremely happy with the successful retreat. Hopefully the first of many! Outside of the schools, we have had a lot of opportunities to get to know the young adults throughout Mayo. We host different events for young adults and we're glad to see that they keep coming back.

New youth 1st/2nd Year Group- We are also happy to announce that we will be starting a youth group! Youth group is a time of faith, friendship, food and fun! It will be held every Wednesday in the Monastery from 7-8.30. No cost or registration required. Any student in 1st and 2nd year is welcome to come – hope to see you there!

Thanks,
The Net Team.
