MASSES IN THE CEMETERIES

Friday 13th July
New Cemetery - 7.30pm

Friday 3rd August
Old Cemetery - 7.30pm

YOU ARE SPECIAL

You are special. In all the world there's nobody like you. Since the beginning of time, there has never been another person like you. Nobody has your smile. Nobody has your eyes, your nose, your hands, your voice. You are special. No one can be found who has your handwriting.

Nobody anywhere has your tastes – for food or music or art or anything else. No one sees things just as you do. In all of time there's been no one who laughs like you, no one who cries like you. And what makes you laugh and cry will never provoke identical laughter and tears from anybody else, ever.

No one responds to any situation just as you would respond. You are special. You are the only one in all of creation who has your set of abilities. Oh, there will always be somebody who is better at one of the things you are good at, but no one in the universe can reach the quality of your combination of talents, ideas, abilities and feelings. Like a room full of musical instruments, some may excel alone, but none can match the symphonic sound when all are played together. You are a symphony. Yes, a symphony!

Through all of eternity, no one will ever look, talk, walk, think be or do like you. You are special. You are rare. And in all rarity there is great value. Because of your great value, you need not attempt to imitate others. You will accept – yes, celebrate – your differences.

You are special. And deep down you realise it's no accident that you are special. You are beginning to see that God has made you special for a very special purpose. He has called you to be, in a way that is absolutely unique, and he has work for you that no one else can do. You are special. In all the world there is nobody like you.
