## PEACE WITH CREATION

SEASON OF CREATION 2025

### **Creator of all,**

we praise you for the gift of life and for the faith that unites us in care for our common home. We confess how estranged we have become - from one another, from your Creation, and from our truest selves.

We acknowledge that our greed and destructive impulses have fractured our relationships with you, with others, and with the Earth.

Fertile fields have become barren, forests lie desolate, oceans and rivers are polluted.

Thriving communities have become places of suffering, and the earth cries out.

### **Beloved Christ,**

who spoke "Shalom" to frightened hearts, stir us to compassionate action.

Inspire us to work for the end of conflict, and for the full restoration of broken relationships - with you, with the human family, and with all Creation.

### **Prince of Peace,**

through your wounds, teach us to stand in solidarity with the woundedness of others, of creation, and of the world. Through your resurrection, make us people of hope - with a vision of swords turned into ploughshares and tears transformed into joy.

May we come together as one family, to labour for your peace - a shalom where all your people may dwell in safety, and rest in quiet places.

Amen.
