Third Sunday of Lent

Lenten Reflection

The Lord Jesus comes into your life expecting to find a place ordered to the worship of the one true God, but what he finds is 'a marketplace'.

What does this mean? It means that Christ finds a place where things other than God have become primary. To bring such idolatry closer to our cultural experience, how much of your life is given over to materialism, commercialism or the accumulation of things?

What rivals to the one true God have you allowed to invade the sacred space of your soul?
