## World Day for the Sick – 11<sup>th</sup> February

Each year on 11<sup>th</sup> February, World Day of the Sick is celebrated. It was established by Pope John Paul II as a way to pray fervently for all those struggling from illnesses. The commemoration of Our Lady of Lourdes also falls on this day.

### *Prayer for the sick*

*Hear our prayer, Oh God,  
and heal the many illnesses that afflict us in body, mind and soul.  
Bring comfort to those who suffer.  
Bring consolation to those who despair.  
Bring strength to those of us who walk with the sick.  
Bring hope to all for whom the path to healing is long or may not end.  
Let us never forget your special care for the sick,  
that they may also know they are precious and loved.  
Amen.*
