Thought for the Day

We may never experience anything as powerful as the Transfiguration. But every day in countless and seemingly small ways God does break into our world and our daily lives. Every time we experience a moment of peace, joy, reconciliation or forgiveness, God is with us. Every time that we reach out to help another person is a moment of transfiguration both for ourselves and for those we help. Each time somebody shows care and concern for us is a moment when God is reaching out to us.

This week, let us open our hearts so that we may hear Jesus speaking to us. May we slow down and look for moments of small but important times of transfiguration in our own ordinary daily lives.
