Corpus Christi

Over the centuries, the Holy Spirit gradually guided the Church to an awareness of Christ's ongoing sacramental presence in the Eucharist. As the Eucharist was reserved after Mass so that Holy Communion could be brought to the sick, we begin to realise that we could extend the worship and praise, and the prayers of intercession and supplication offered to God during the Mass by adoring the Lord in the Eucharist outside of Mass.

Eventually, churches constructed tabernacles where we could reserve the Blessed Sacrament. Gradually we developed the liturgical practice of Eucharistic exposition, adoration, and benediction. Today, it is impossible to know how many tabernacles there are in the world. So many parish churches, convents and monasteries, oratories and residences of religious orders! In every corner of the world-indeed, in every corner of time and space-Jesus is with us, wanting to accompany us and to be available so that we can come to him in the Eucharist and open our hearts to him. He is drawing the whole world into his Sacred Heart through his silent, respectful, loving, generous presence in countless tabernacles throughout the earth. What does this decision on God's part tell me about his love and interest in my life? How have I responded to this gift? How would I like to respond from now on?

Lord, today, by your grace, I will make an extra visit to a chapel or church where I can be with you in the Eucharist. And I will take time there to enjoy your presence and thank you for everything I am grateful for.
