That Sinking Feeling

Have you ever used the expression 'My heart sank'? It is usually used to describe an experience of extreme disappointment or anxiety; a moment when our courage or hope fails and we feel that things are about to turn out very badly indeed. We might be going along just fine, confidently navigating life's twists and turns, when something knocks us off balance. It could be an illness, a financial blow, falling out with a family member or friend, worry about a son or daughter. Especially when we lose someone close to us, grief can make us feel as though we are sinking.

What strikes me about today's gospel is that Peter doesn't hesitate about taking that first step out of the boat. Once he sees who is calling him, out he gets and begins to walk towards Jesus. But then, as soon as he feels the force of the wind, as soon as he realises that the conditions around him are challenging and frightening, he loses courage and starts to sink.

Wind and storm are metaphors for situations we face. Sometimes it is a single thing that knocks us back. Sometimes it is a build-up. A few months ago, at the early stages of 'lockdown,' we thought it wouldn't be so bad to take a break and stay at home for a few weeks. But as the weeks turned into months, many people were overwhelmed by increasing feelings of loneliness, fears for health and anxiety about the future. It can feel like sinking.

The good news of today's gospel centres around the line, 'Jesus put out his hand at once and held him.' As soon as Peter starts to falter and sink, Jesus reaches out to steady him and pull him to himself. When we are in trouble, sometimes all we can do is trust in God. When our faith and hope are shaken, and we are sinking, he will reach out and hold us close.
