

Christmas Concert at Breaffy Church

For the first time we are planning to have a Christmas Concert/Carol Service in Breaffy Church in the afternoon of Sunday 21st December 2025.

There are many groups who sing at Masses and other ceremonies in the Church on a regular basis throughout the year, and we hope they will participate in the Concert.

In addition, we know there are many other adult groups and individuals who can sing and play instruments who may like to perform at the Concert. If you are one of those people/groups in the Breaffy catchment area of the parish, and would like to perform at the Concert, please call Ann Marie on 086 1700092 on or before 7pm on Thursday 13th November.

A further update on the event will be published later.
